RE: JOHNSON, William
Dkt. No. 04-00381-001
Notice of Non-Compliance

Dear Judge Cavanaugh:

On March 26, 2006, the above-referenced individual was sentenced by Your Honor to 88 months custody and four years supervised release for the offense of Conspiracy to Distribute and Possess with Intent to Distribute 500 Grams or More of Cocaine. Johnson was ordered to pay a \$100 special assessment fee (satisfied), and to abide by the following special conditions: substance abuse testing/treatment, sex offender registration (completed), and DNA collection.

The offender commenced his term of supervised release in the District of New Jersey on May 22, 2012. As the enclosed petition attests, the offender tested positive for THC (marijuana) during a random urine test administered by the probation officer on October 7, 2014. The offender admitted to having smoked the substance two days prior.

Overall, the offender has been compliant with the conditions of his supervised release. Therefore, at this time, the probation office respectfully requests to continue monitoring the offender and will increase random urine monitoring. The offender has been verbally reprimanded for his actions, as this is his second positive urinalysis for narcotics use. The probation office respectfully requests that Your Honor sign the enclosed petition ordering that the offender complete the probation office's Moral Reconnection Therapy workshop, specific to repeat narcotics users, as a response to his noncompliance. The offender has been warned that any further positives will lead to intenser sanctions and treatment. If Your Honor wishes to discuss this matter in greater detail or desires a court appearance from the offender, please contact the undersigned officer at (973) 445-8120.

Respectfully submitted,

WILFREDO TORRES, Chief
U.S. Probation Officer

U.S. Probation Officer Action:

The aforementioned represents the offender's second positive results since commencing supervised release on May 22, 2012. (Your Honor was previously informed of his first positive marijuana results via a Probation Form 12A submitted to the Court on August 3, 2013.) He has been verbally reprimanded for his actions and advised that the Court would be again notified of his non-compliance. If Your Honor approves, the probation office will increase urine monitoring for illicit drug use detection and will place the offender in the office's Moral Reconation Therapy program, specific to repeat narcotics users, which will provide him guidance in redirecting his life, goals, and recognizing avoidance of continued illegal activity. The probation officer respectfully requests that the Court sign this petition, agreeing to this noncompliance response.

Respectfully submitted,
